The Perfect Experience / —

GR-D250

HIGH-BAND DIGITAL VIDEO CAMERA

Mini DV NTSC

Slim & Compact

Point, Shoot and Enjoy

JVC's distinctive features help capture precious moments and make shooting video especially fun.

High Quality Picture and Sound

Super High-Band Processor

This JVC-developed technology expands the camera signal's frequency range to raise horizontal resolution to 520 lines or more, thereby taking full advantage of the DV format's original high resolution.

Helpful & Convenient Functions

25x Optical Zoom with 800x Digital Zoom

With the powerful 25x zoom, an image is enlarged 25 times without jagged edges. Images can be further enlarged up to 800x when combined with the digital zoom.

2-Language On-Screen (English/Spanish)

You can choose the language used for menu settings and camera operations, making the camera much easier to operate.

Data Battery

Remaining battery and recording time can be easily viewed, by simply touching one button, even with the power turned off. This allows you to check what remains for both the battery and recording time before shooting, so you can prevent the battery from running out during shooting.

This product includes patented and other proprietary technology and will operate only with JVC Data Battery.

Provided Accessories	Optional Accessories
<ul style="list-style-type: none"> • AC Power Adapter • Battery Pack • Shoulder Strap • AV Cable 	<ul style="list-style-type: none"> • AA-VF7 Battery Charger • BN-VF707/BN-VF714/BN-VF733 Battery Pack  

Power-Linked Operation

Automatically turns on the camera when you open the LCD or pull out the viewfinder.

2.5" Clear LCD Monitor

Cuts surface reflection and glare to maintain a clear, visible, bright view during outdoor recording.

Color Viewfinder

The high density color LCD provides a clear natural looking image.

NightAlive

Boosts light sensitivity for a bright picture even in environments with minimal illumination*, always giving you full color, whether your subject is close-by or far away.

*JVC's NightAlive combines digital slow shutter and image processing technology. With rapidly moving subject, image trails may be displayed.

Digital Effects and Scene Transitions

Spice it up while you shoot. Most can also be applied during playback, without affecting the original recording.

Door Wipe

Other Features

- 1/6-inch 680,000 pixel CCD (Number of effective pixels: 340,000 pixels for moving pictures)
- 520 Lines of Resolution
- DV In/Out
- Web-Camera Function (via IEEE 1394)

Specifications

Format	DV (SD specifications)
Power source	(Batt) 7.2 V / (AC adapter) DC 6.3-11 V (using LCD Monitor)
Power consumption	Using viewfinder: 3.2 W Using LCD: Approx. 4.2 W
Cassette	Mini DV type
Max. recording time (LP)	90 min. (with 60-min. DV cassette) 120 min. (with 80-min. DV cassette)
Lens	F 1.8-3.2, f=2.2-55.0 mm (Equivalent to 42 - 1050 mm zoom lens on 35 mm SLR camera)
Filter diameter	27 mm
Zoom ratio	Optical: 25:1 Digital: 800:1
Terminals	DV In/Out, AV In/Out, DC In
Dimensions W x H x D	2 1/4 x 3 3/4 x 4 7/16 in./56 x 94 x 112 mm
Weight	0.9 lbs./430 g
