# Dubbing from VCR to DVD

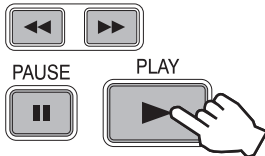

You can copy the contents of a VHS tape to a DVD using the **DUBBING** button. This allows you to archive your old VHS tapes to DVD.

Preparation : • Set the resolution to 480i using the **OUTPUT STATUS** button before dubbing.  
• Press **VCR** button to set the VCR mode.

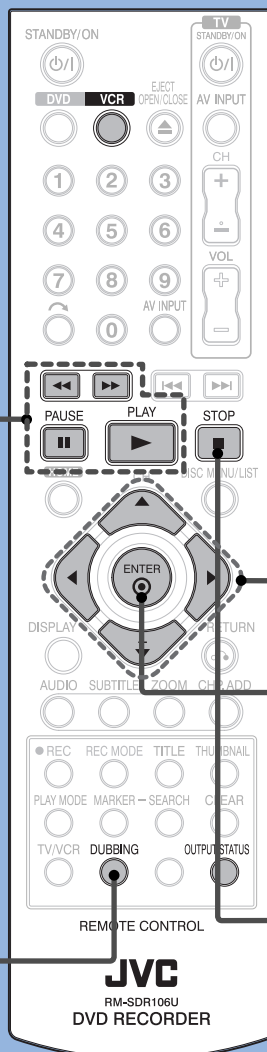

**1** Insert Blank Disc and Cassette

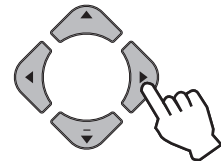

**2** Find the place on the VHS tape from which you want to start dubbing.

**3** Access the Dubbing menu screen.

**4** Select the desired Record Mode, then select [Dubbing].

**5** Start Dubbing.

**6** Stop Dubbing.
