Key Benefits

The Proximity Sensor and Touch Pad offer intuitive operation with your finger strokes on the 3.5-inch widescreen monitor. The stylish monitor becomes totally black when the power is off. Enjoy hands-free calling and audio streaming on the multimedia system with built-in Bluetooth® Wireless Technology. You can play both audio and video* from your iPod/iPhone or USB devices. Multilingual display is available in 10 languages. HD Radio® and SAT Radio can also be enjoyed with optional tuners.

* KS-U30 required for iPod/iPhone video playback. Compatibility depends on iPod.

Built-in Bluetooth® Wireless Technology

Enjoy hands-free calling, voice-recognition dialing, or music streaming with compatible devices.

Bluetooth®

Wired MIC included for flexible settings

Touch Pad

Unique and intuitive control with a flick of your finger — circular strokes for volume control, vertical to move up/down folders, and horizontal to skip forward/backward.
