

KD-ADV49

Bluetooth® Wireless Technology DVD/CD/USB Receiver
with Proximity Sensor and Touch Pad

AV Headunits

Recommended Features

Key Benefits

Experience a new sensation of AV control. The motion sensor and touch pad offer a new style of operation with your finger strokes on the 3.5-inch widescreen monitor. Enjoy safety and convenience such as hands-free calling and audio streaming with the built-in Bluetooth® Wireless Technology. You can play both audio and video* from your iPod or USB devices. Multilingual display is available in 9 languages. The unit also features 5.1-channel DTS/Dolby decoders, 7-band iEQ, and Dual Zone function.

* KS-U20 cable required for iPod video playback. Compatibility depends on iPod.

Proximity Sensor

Keys and monitor appear when your hand approaches. You can turn the screen on/off depending on the setting.

Touch Pad

Unique and intuitive control with a flick of your finger — circular strokes for volume control, vertical to move up/down folders, and horizontal to skip forward/backward.

KD-ADV49

Bluetooth® Wireless Technology DVD/CD/USB Receiver
with Proximity Sensor and Touch Pad

Bluetooth® Compatible Functions

In addition to hands-free calling, voice recognition dialing, and audio streaming, you can transfer up to 50 contact numbers to the headunit.

Cell phone

So Many Features!

- ✓ Hands-Free Calls
- ✓ Voice Dialing
- ✓ Audio Streaming
- ✓ Text Message Display
- ✓ Phonebook Transfer

USB Connection (G3 iPod)

Enjoy digital audio/video from iPod and USB devices at full-speed transfer (USB 2.0). You can also charge your iPod.

* USB playback not supported for NTFS formatted devices. When partitions are created, only the first partition can be read. (Maximum current supply 0.5A)

** DivX® files must be less than 2Mbps for playback on USB

*** For iPod video playback, KS-U20 cable is required.

Please visit www.jvc-exad.com for iPod compatibility details.

Rear-View Camera Ready

An optional rear-view camera can be attached for an enhanced view behind your car.

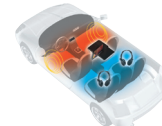

DivX® Video Compatible

Playback high-compression DivX® video files created on your PC.

Dual-Zone

The front and rear passengers can enjoy separate entertainment at the same time, such as radio and DVD.

HD Radio® Ready

HD Radio® available with an optional KT-HD300 tuner.

KT-HD300

High Voltage Line Preout Terminals

The high voltage line preout provides high-quality signals for flexible settings.
