*1 Available functions depend on the mobile phone. Please visit www.jvc-exad.com for Bluetooth® compatibility details.

*2 Receipt notification only

*3 Please visit www.jvc-exad.com for iPod compatibility details.

*4 Switching from headunit mode to iPod/iPhone mode will pause your iPod/iPhone. For playback, please press "play" on your iPod/iPhone.

*5 When iPod/iPhone devices are connected to both front and rear USB input terminals, the unit only detects and charges the first connected device.

*6 USB playback not supported for NTFS formatted devices. When partitions are created, only the first partition can be read. (Maximum current supply 0.5A)
