[Download the update file \(zip format\)](#)

Procedure

Caution: Do not power off the unit during update.

1. Download the Firmware update file v800-v800 and save it on your desktop.
2. Unzip it on to your desktop. In the unzipped folder, you will see the file J09TC_n.rom.
3. Copy the file onto a USB flash drive. **Do not save into any folder**
4. Insert the USB flash drive into the car-radio's USB port
5. "FOUND UPDATE FILE" message appears. Press the [DOWN] button to begin the update
6. "UPDATE COMPLETE" message will be displayed when finished. Remove the flash drive and press power button to turn off the unit
