

KD-R710J firmware update

This update improves audio quality while using hands-free phone

[View the update procedure](#)

[Download the update file \(zip format\)](#)

Procedure

Caution: Do not power off the unit during update.

1. Download the Firmware update file v600-v600 and save it on your desktop.
2. Unzip it on to your desktop. In the unzipped folder, you will see the file J10TC_n.rom.
3. Copy the file onto a USB flash drive. **Do not save it to any folder**
4. Insert the USB flash drive into the car-radio's USB port
5. "UPDATE FILE <-> ENTER/BACK" message appears. Press the [Volume knob] to begin the update. If you press [BACK] button, the update will be cancelled.
6. "UPDATE COMPLETE" message will be displayed when finished.
Remove the flash drive and press power button to turn off the unit
